

Saint Mary's Hall

HEALTH EDUCATOR
(CLASSROOM TEACHER)

San Antonio, TX

START DATE: August 1, 2024

ABOUT SAINT MARY'S HALL:

Saint Mary's Hall is an independent day school offering students from age 3 through 12th grade a coeducational college-preparatory experience. Situated on 60 beautiful acres near Salado Creek in Northeast San Antonio, Saint Mary's Hall was founded in 1879 on the principles of knowledge, self-confidence, and respect for others. Originally established by the Episcopal Church, Saint Mary's Hall serves students and families of all faiths. Graduates leave Saint Mary's Hall confidently armed with the skills, knowledge, study habits, and self-awareness needed to thrive in college and find fulfillment in life.

POSITION DESCRIPTION:

The Health Educator is responsible for teaching health classes across campus. The Health Educator will teach students developmentally appropriate content in accordance with our curriculum.

ESSENTIAL JOB FUNCTIONS:

- Teaches knowledge and skills in health education, utilizing curriculum designated by SMH.
- Works cooperatively with input from Division Heads, School Nurse, Division Counselors, guest speakers, and administrators.
- Develops lesson plans and supplementary materials compatible with the division's basic instructional philosophy and congruent with course standards.
- Provides small group classroom instruction but is able to adapt the curriculum to the needs of each student and subgroups of students.
- Establishes and maintains standards of student behavior to provide an orderly, productive learning environment.
- Evaluates academic and social growth of students, prepares reports, and keeps appropriate records to include attendance reports, and other record keeping activities as necessary.
- Communicates with parents and school counselors on student progress or concerns whenever necessary.
- Assists in curriculum coordination and design across the divisions.
- Models nondiscriminatory and unbiased practices in all activities.
- Knows and complies with SMH policies and procedures.

QUALIFICATIONS:

- Graduate with Bachelor's Degree from an accredited college or university, preferably with a Health Science degree; other relevant degrees will be considered.
- At least two years' experience teaching Health in a school setting.

PREFERRED QUALIFICATIONS:

- State Certified Health Educator Physical Requirements and Work Environment.
- Work in a fast-paced environment dealing with a wide variety of challenges, deadlines, and a varied and diverse array of contacts.
- May work at a desk and computer for extended periods.
- Must be able to teach, instruct, and communicate with students, parents, coworkers, visitors, and other professionals in the English language.
- Work primarily in a traditional climate-controlled classroom environment. Work intermittently in outside weather conditions, including extreme heat and cold.

This job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee. Other duties, responsibilities and activities may change or be assigned at any time with or without notice.

HOW TO APPLY:

Saint Mary's Hall has partnered with Dovetailed on this search. Interested candidates should email a cover letter (addressed to Assistant Head of School for Student Experience Dr. Sandra Lopez-Morales), a résumé, and a list of at least three professional references consolidated as a single PDF document to Madison Sunley, Recruiter, at madison@dovetailedsourcing.com.
