

Pingry

The Pingry School UPPER SCHOOL MATH TEACHER

Basking Ridge, NJ

ABOUT PINGRY:

The Pingry School, a K-12 coeducational, independent country day school, is recognized throughout the United States for its academic excellence, Honor Code, arts, athletics, and community and civic engagement. The school's mission is to foster in students a lifelong commitment to scholarly exploration, personal growth, and social responsibility while preparing them to be global citizens and luminaries of the 21st century. Dr. John F. Pingry founded the school in 1861 in Elizabeth, New Jersey, and today there are three campuses: Grades K-5 in Short Hills, Grades 6-12 in Basking Ridge, and a shared campus for Grades K-12 in Pottersville that focuses on experiential education. The diverse student body is composed of more than 1,100 students from nearly 100 towns in New Jersey and New York. For more information visit the school's website, pingry.org, or follow The Pingry School on Facebook and Twitter.

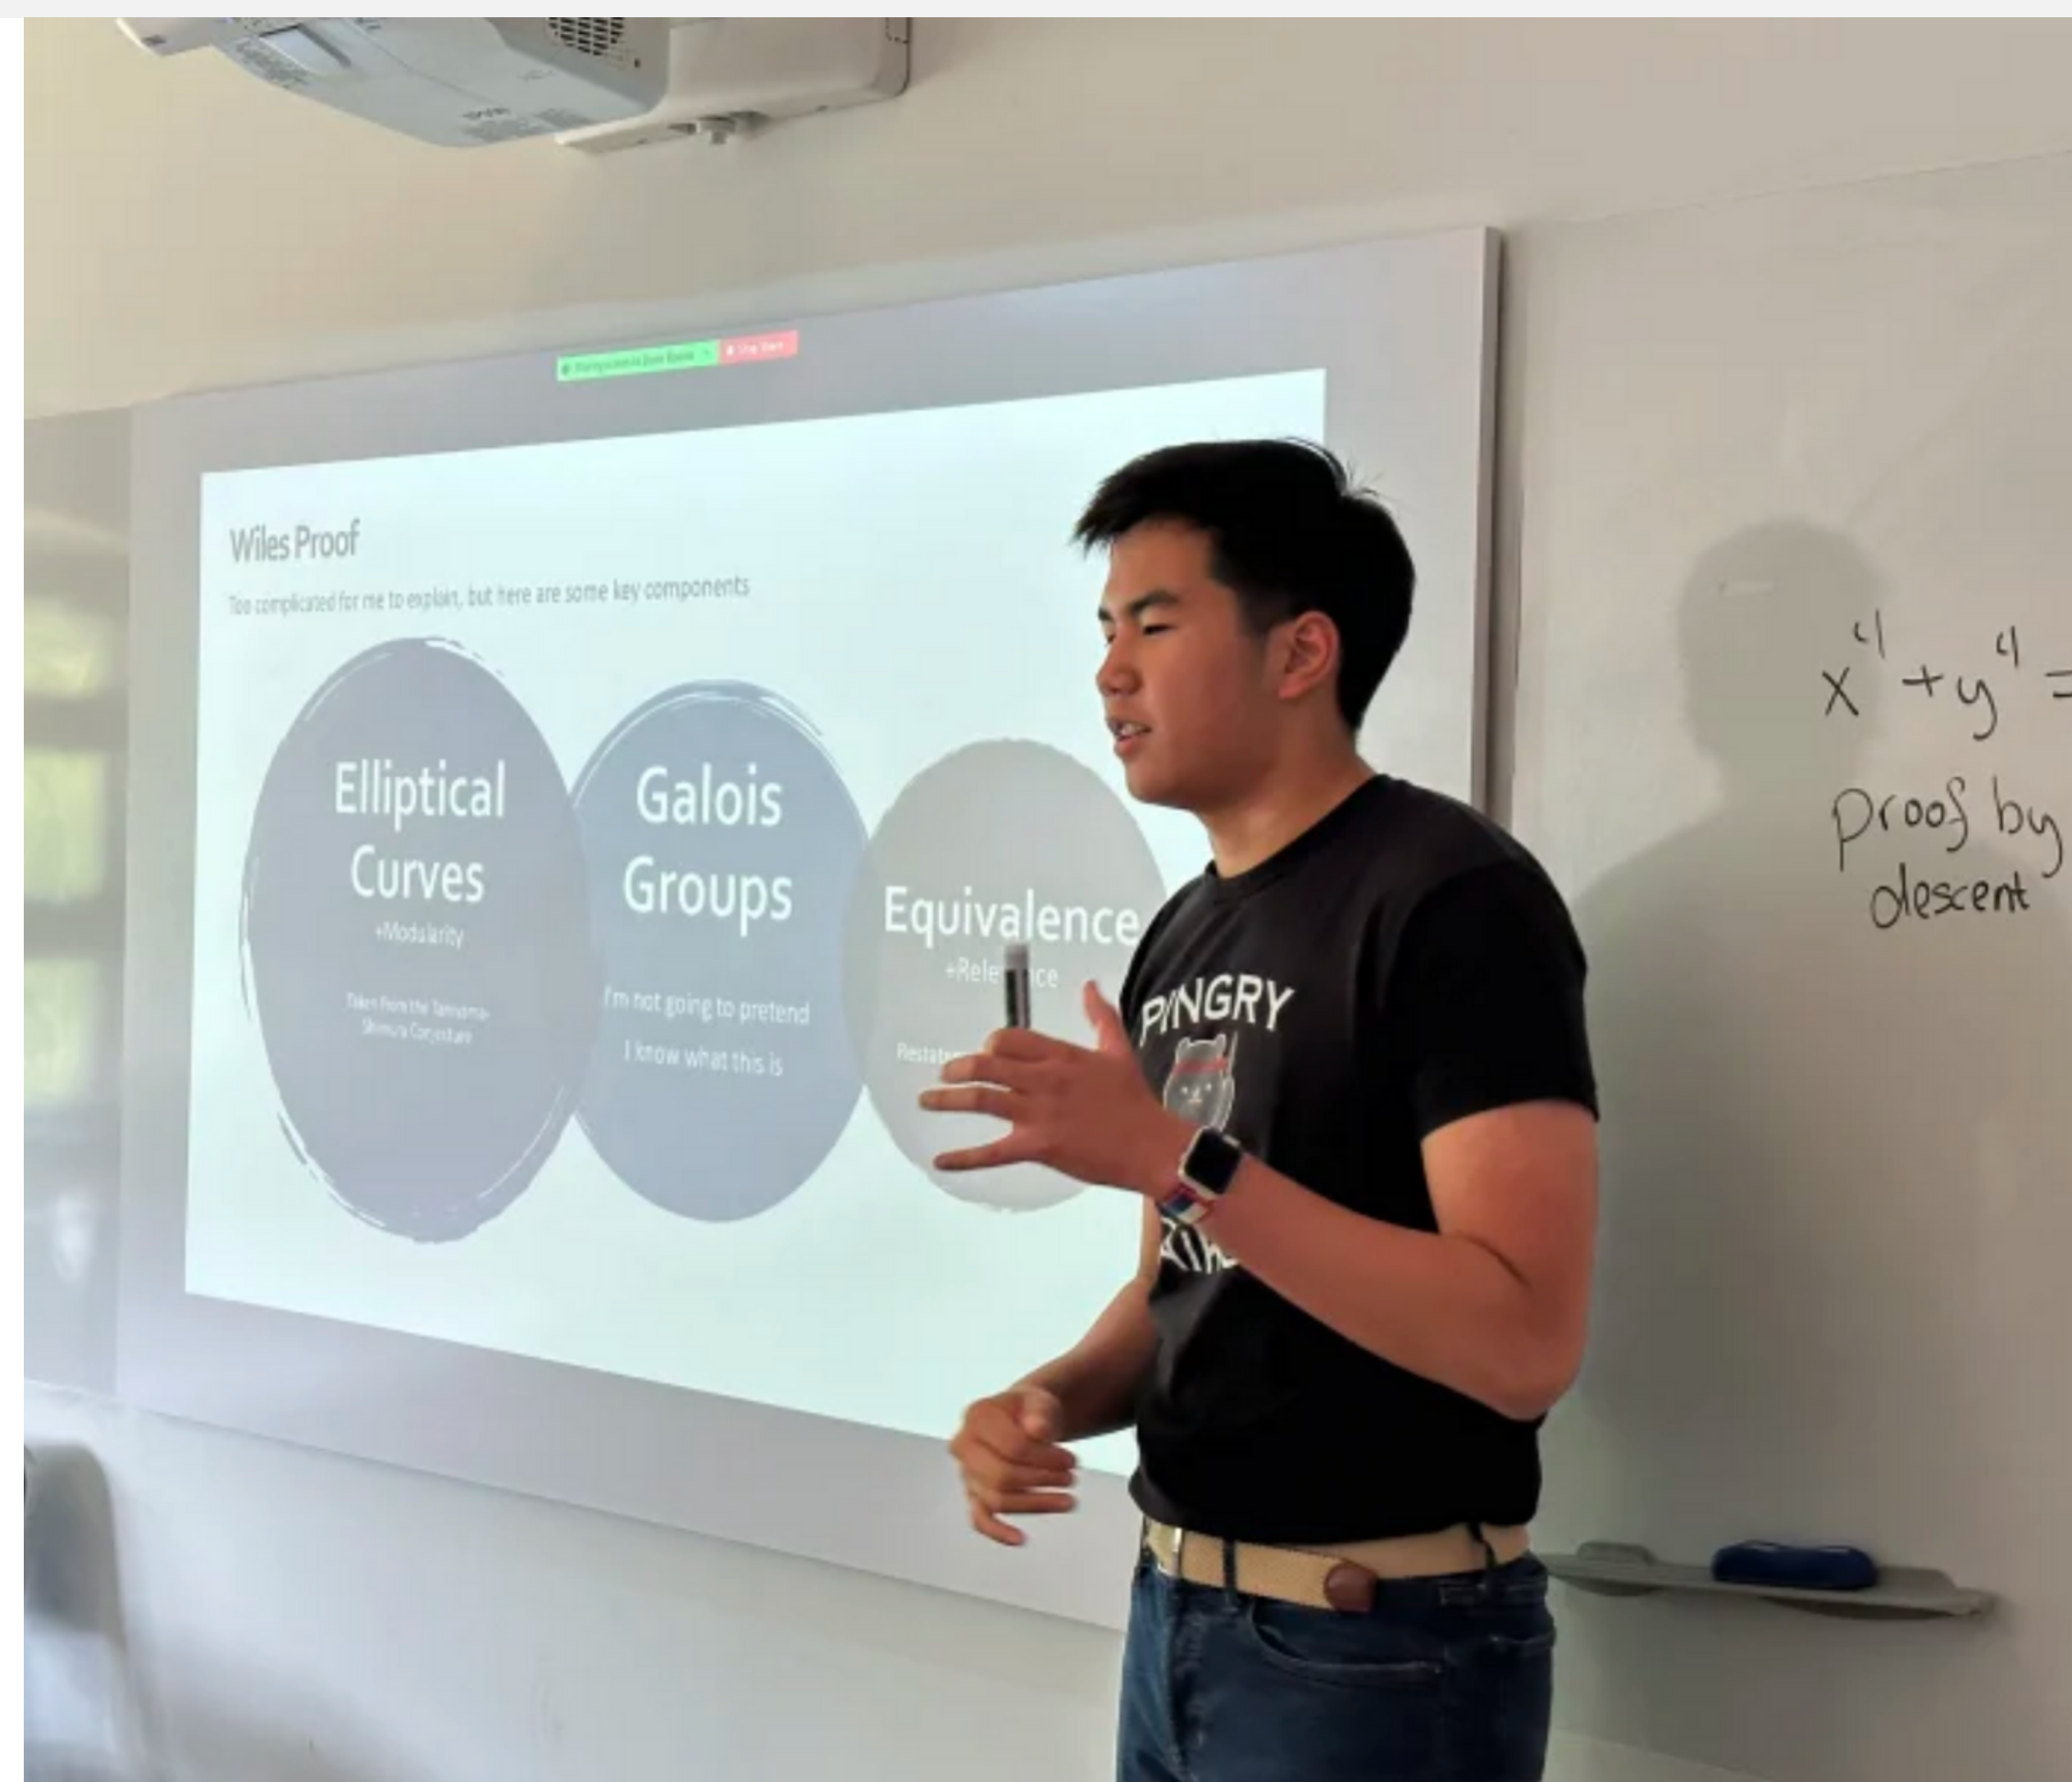

Start Date: August 12, 2024

POSITION SUMMARY:

The Pingry School seeks a dynamic and intellectually engaging **Upper School Math** for the 2024-2025 school year. The ideal candidate is committed to guiding young people as they construct their understanding of Math in a student-centered classroom environment. This educator is a collaborator with an appreciation for the teachable moment when moral and ethical questions arise in and out of the classroom. A person with consistently high standards, the candidate of choice seeks growth and learning every day, both personally and professionally, and inspires others to do the same through optimism, selflessness, flexibility, and teamwork. With robust interpersonal skills, the selected candidate has a real desire to contribute to the school community by sharing their passions and through additional efforts, such as advising students, coaching teams, directing clubs, or supervising activities.

RESPONSIBILITIES:

- Teaching 4 courses.
- Serving as an advisor to a group of students.
- Collaborate Cross Departmentally on the development and execution of a Spring Intensive Course.
- Fulfilling an additional "plus one" requirement as assigned by the Upper School Director.
- Fulfilling any additional duties as assigned by the Upper School Director and/or Math Department Head.
- Participating in all required meetings.
- Participating in all required professional development activities.
- Providing extra math support for students during flex and community times.

QUALIFICATIONS:

- A bachelor's degree in mathematics or a related field is required. An advanced degree is preferred.
- Rich knowledge of Algebra, Pre-Calculus, AP Calculus, and Geometry and facility with a variety of teaching tools, comfort with designing courses, and fluency in various modes of inquiry.
- Experience teaching Math at the High School level.
- Proficiency in implementing the principles of the Building Thinking Classrooms methodology is preferred.
- Experience with advising students.
- Enthusiasm for working with High School students.
- Fluency with mathematical thinking skills and current discipline-specific pedagogy.
- Dedication to supporting the academic, social, and emotional well-being of students.
- Ability to work with students both in-person and virtually.
- Robust interpersonal skills.
- Excellent written and oral communication skills.
- Dedication to partnering collaboratively with a team of talented faculty.
- Experience creating, supporting, and sustaining a culture of access and equity in Math education.
- Comfortable with incorporating the latest technology into your workflow, including Google Classroom, Zoom, and GitHub.
- Skilled in navigating the Google Suite of applications (Gmail, Google Drive, Google Calendar, etc.).
- Ability to work in a fast-paced environment.
- Commitment to the mission, vision, and pillars of the Pingry School includes a commitment to DEIB and the requisite skills to work cross-functionally with diverse constituency groups across the organization.

HOW TO APPLY:

The Pingry School has partnered with Dovetailed on this search. Interested candidates should email a cover letter (addressed to Talent Acquisition and Onboarding Manager Mary McNaugher), a resume, and a list of at least three professional references consolidated as a single PDF document to Alison Moore, Senior Recruiter, at alison@dovetailedsourcing.com.

The Pingry School aspires to be an anti-racist community and is committed to the principles of Diversity, Equity, and Inclusion. Pingry is proud to be an equal opportunity employer. The Pingry School's employment policy is that individuals will receive equal opportunity in all matters pertaining to recruitment, employment, salary, promotion, and assignment, regardless of race, religion, color, gender, sexual orientation, gender identity, national origin, age, disability, pregnancy status, genetic information, marital status, amnesty or status as a covered veteran, or other basis proscribed by federal, state, and local law. All employment is decided based on qualifications, merit, and business need.
